

NFON UK End-Customer Call Rate 1501 – Full

Rate effective from: 01/03/2017

This rate change notification supersedes all previous rate and code information with respect to the rates and/or codes listed.

Failure to return acknowledgement of this rate notification shall not invalidate the effectiveness of the rate changes.

Price for all destinations are subjected to change in accordance with the agreed service terms and conditions which are available on request.

All prices are in pence and are exclusive of VAT.

Traffic to any unspecified destinations, including non-geographic number ranges, will be treated as unauthorised traffic and billed accordingly.

Unless otherwise agreed the standard billing rate for unauthorised traffic is 29p/minute.

Please contact the sender if you cannot see the destination you need.

All tariffs are strictly confidential.

For any additional information please email uk-customerservice@nfon.com

Total Salesprice per call is calculated as follows:

Total Salesprice (£) = [Connection charge + (Call duration/60) * Rate] /100

For UK NGCS Calls SC070-SC080 & SC087-SC100, the rate charge is applicable after first minute.

Access Charge of 2pence/min applicable to all NGCS Calls.
